## BINGO PALACE HOUSE RULES

- Authorized Users and their guests only are eligible to participate in the bingo program. No Bingo Palace employees or family members of employees are eligible to participate in the bingo program.
- 100% ID check required. No person under the age of thirteen (13) will be permitted in Bingo Palace during any Bingo session. Valid proof of age required with every visit (State ID, school ID with birth certificate).
- It is solely the player's responsibility to make sure that the caller hears you call out "BINGO". The caller must hear you yell bingo to stop the game. Once the balls are dropped and the game is closed, your bingo cannot be verified.
- No "Sleeper" bingo will be paid. You must have the last number called by the caller to have a valid Bingo.
- Bingo cannot be played anywhere except the bingo floor. Bingo called anywhere except the bingo floor is void. You must be seated on the bingo floor and in your seat for all drawings.
- You must purchase at minimum a program pack or a small computer to participate in the bingo program, to include special games. Sharing of computers is not authorized. Any games won without the regular program being purchased will not be paid.
- Seating is available on a first come first served basis. The reserving of seats for customers who are not present is not authorized. If a customer leaves the building then they must vacate their seat and remove their belongings and bingo merchandise. Bingo Palace reserves the right to remove items from a vacated seat.
- To receive the birthday discount, you must play on your actual birthday, or if closed, the first day Bingo Palace is open after your birthday.
- Only one color dauber permitted per sheet. Sheets with multiple dauber colors will be void. All cards must be daubed to be valid.
- A bingo number is not valid until it is verbally called by the caller. If the caller has a ball on display that has not been called, the ball is not valid or playable until called by the caller. Once balls are dropped and the game is closed, a bingo cannot be verified.
- Machine malfunction voids game. If a win cannot be verified it is considered an error and will not be paid.
- Only one free game pack and one customer appreciation can be played per customer. Assisting a handicap/disabled customer is authorized. Sponsors win double on Player Appreciation game.
- All winning cards are subject to be checked and verified. Playing unused cards from another session is prohibited.
- Bingo session and Bingo 24 cash prizes of \$1000.00 or more will be paid by check and are reported to the IRS. Checks may take 7 to 14 business days after winning to be delivered. All prize money will be divided between multiple winners.
- Credits must be cashed out each night. Credits are not left on machines overnight.
- It is mandatory that all winners provide a valid picture ID and proof of SSN in order to be paid for a winning bingo.
- Do not tear off the back of the Bingo Event Cards.
- No cash back on credit/debit transactions.
- Red Eye begins at approximately 11:00pm Tuesday – Friday and 10:00pm on Saturday. \$10 buy in required. Red Eye players cannot play any games prior to last triple of the night.
- Bingo Palace is not responsible for lost or stolen items, or cards not played.
- No outside food or beverages are allowed in Bingo Palace.
- Talking on cell phones is prohibited on the bingo floor during session play. Ringers should be placed in the silent position. Patrons must refrain from loud talking while games are in progress. Profanity, talking on cell phones, and other acts that disturb players participating in bingo is prohibited.
- Acts of aggression, either verbally or physically, between players or toward bingo staff will not be tolerated. Violators will be removed from the facility without refund.
- Program and program hours are subject to change and reasonable announcements will be made whenever possible.
- All number bulbs are checked prior to start. Bingo Palace is not responsible for burned out light bulbs.
