

Gordon Lakes Golf Club

Gordon Lakes Golf Club offers three beautiful and challenging 9-hole golf courses. The original 18 holes were built in 1976 by legendary golf course architect Robert Trent Jones Sr. GLGC signature hole, #6 Island, is a 170 yard Island Green Par 3! A well stocked Pro-Shop, Bogey's Grill, practice area, driving range and courteous team are looking forward to host your tournament and make your event a memorable one.

Gordon Lakes Golf Club is open to the public; patrons without a DoD ID Card must enter through Gate 1 off of Gordon Highway. Please have your driver's license, registration and current proof of insurance.

The Gordon Lakes Golf Club ProShop team is looking forward to discuss your tournament needs, suggest options and accommodate your needs. Come and see us today!

Depending on course and weather conditions, GLGC will assign which nines will be played.
