David is moonlighting as a department store Santa so that he can buy his wife Samantha an expensive fur for Christmas. He tells her he's working at the office late, but when she finds out he is not at the office, suspicions arise. She enlists the help of her neighbor and her psychiatric husband to get to the bottom of it. Suspicious, hypnotism gone wrong, the notorious Santa burglar Kris Kreigle and his gun-toting fiancée, and a confused police officer all add up in a rollicking tale that is hilarious Christmas entertainment.
