Accusations, mistaken identities, and romances run wild in this traditional, laugh-out-loud farce. Two nuns at the Sisters of Perpetual Sewing have been secretly making wine to keep the convent's doors open, but Paul and Sally, reporters and former fiancées, are hot on their trail. They go undercover as a nun and priest, but their presence, combined with the addition of a new nun, spurs paranoia throughout the convent that spies have been sent from Rome to shut them down. Wine and secrets are inevitably spilled as everyone tries to preserve the convent and reconnect with lost loves.
